

Dear FAOBMB Members,

IUBMB Whelan Young Investigators Award

Letting you know of a potential award for early to mid-career investigators less than 10 years post-PhD. In addition to travel funding and an honorarium, the successful awardee will be invited to write a review for IUBMB Life and present at the Young Scientist Program associated with the [IUBMB Congress 2024](#) in Melbourne (BioMolecular Horizons). The deadline for submission is 1st September 2023 (i.e. 12+ months prior to the Congress). The online application can be found [here](#) and must be submitted directly to IUBMB.

Thank you!

Nirma Samarawickrema

FAOBMB Representative for the ASBMB
