## 2022 MAY NEWS

### UPCOMING IUBMB FEBS PABMB CONGRESS

### IUBMB TRAINEE INITIATIVE

# environment

*We missed to meet people since COVID hit* !!!

Therefore, get the conference feeling during our event!

Reducing plastic

Recycling equipment

Green Funding

Green chemistry

Lab practice

- Learn about green lab work **at any time for more than a month** on our platform
- See **live talks** from experts in the field during 14.-15. of May
- Become a **part of our green family** with upcoming information and help

Just now! Join all the socializing session for free  
[www.greenlabwork.com](http://www.greenlabwork.com)

**Don't miss it!**  
**Register for free here**

Thanks to <https://icons8.com/> for some icons

## UPCOMING IUBMB DEADLINES

25TH IUBMB  
46TH FEBS  
15TH PABMB  
**2022**  
9-14 JULY  
LISBON PORTUGAL

THE BIOCHEMISTRY GLOBAL SUMMIT LISBON

## DEADLINE EXTENDED

Late-breaking Abstracts | May 25

Regular Registration Deadline | June 9

Online Late Registration Closing | June 30

There's still time to submit an [abstract](#) and [register](#) for the event.

## IUBMB TANG EDUCATION FELLOWSHIPS

Deadline Extended May 31

Supports educators visiting another institution  
to either advise, teach, or learn

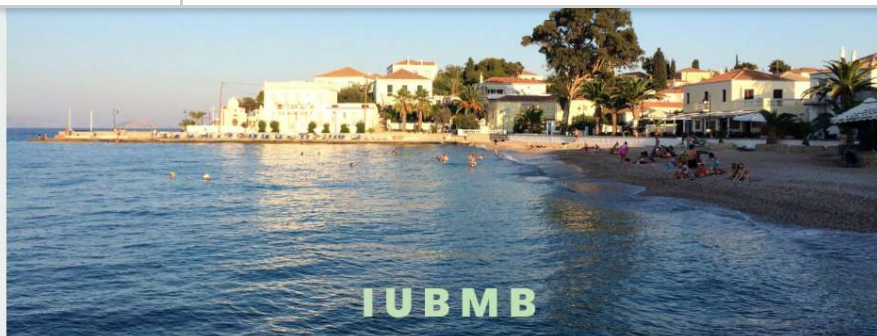

## IUBMB Educational Activities

Deadline Extended to May 31

The IUBMB is committed to improving education in biochemistry  
and molecular biology at all levels.

IUBMB

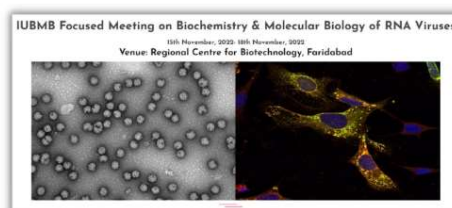

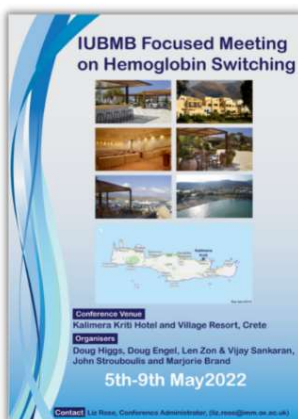

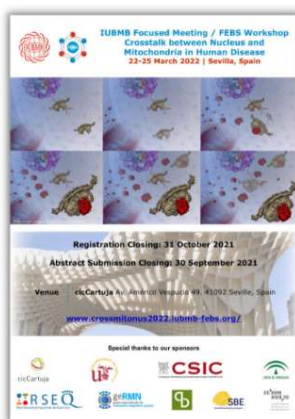

*Advanced Schools*

DEADLINE EXTENDED MAY 31

For meetings in Europe, IUBMB automatically covers the expense for use of the "IUBMB/Brian Clark lecture hall" in the month of May for Spetses island, Greece for the organization of Special Meetings, Symposia, Advanced Schools etc.

## 2022 IUBMB FOCUSED MEETINGS

**Application Deadline for the  
2023 Focused Meetings is  
June 1st**

Organizing a meeting? Consider nominating the Plenary Lecturer for the

molecular biology **JUNE 15th DEADLINE**

## IUBMB PLENARY LECTURES

organizing a meeting?

IUBMB provides support of a plenary lecturer who has made outstanding contributions in biochemistry and molecular biology

—  
nominate by June 15

Organizing a meeting? IUBMB provides support of a plenary lecturer who has made outstanding contributions in biochemistry and molecular biology **JUNE 15 DEADLINE**

### seeking new Editor-in-Chief

rapid publication

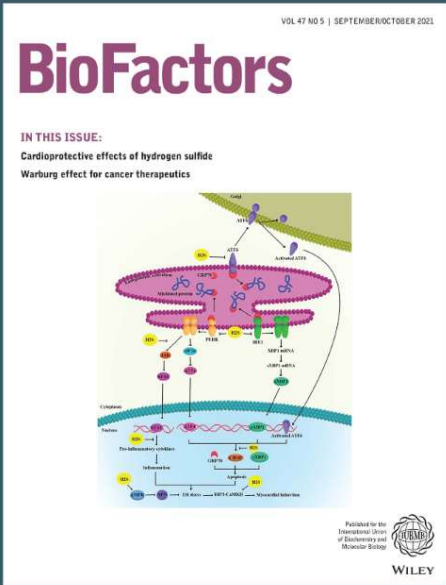

receptors

ligands

signal transduction

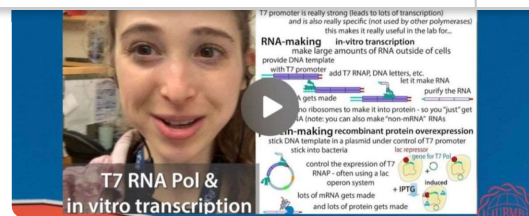

metabolic signaling

IUBMB is seeking a New Editor-in-Chief for BioFactors, a *\*rapid publication\** journal devoted to signal transduction, metabolic signaling, receptors, and ligands. **Deadline extended to June 30th.** Info: [bit.ly/3y6bzLV](http://bit.ly/3y6bzLV)

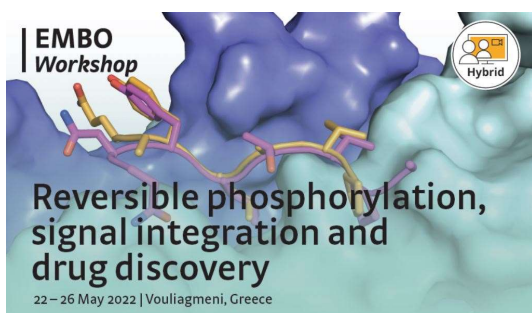

## BRI-FING FROM THE BENCH

**IUBMB**  
**Journals**

[Read more on Journal Highlights >>](#)

## UPCOMING MEETINGS

EMBO Workshop: Reversible phosphorylation, signal integration and drug discovery hybrid meeting on May 22-26, 2022 in Vouliagmeni, Greece.

**Registration & Abstract Deadline:**  
**May 13th**

[Learn More >>](#)

IUBMB is pleased to support the Patricia Cohen Tribute, Women in Science Lecture: PHLiPPing the switch to cell signalling

Keynote Lecturer: Alexandra Newton

## Innate immunity in host-pathogen interactions

17–20 July 2022 | EMBL Heidelberg and Virtual

Abstract submission: 24 April 2022

Registration (On-site): 15 May 2022      Registration (Virtual): 10 July 2022

[s.embl.org/ees22-08](https://www.embl.org/ees22-08) #EESImmunity

Interested in infection biology? Join us for 'Innate immunity in host-pathogen interactions' to discuss infectious diseases, treatment and prevention, based on simultaneous analysis of microbial and host variables.

**MAY 15:** On-site Registration | **JUL 10:** Virtual Registration

[Meeting details](#) | [Online poster](#)

EMBL Conference

## BioMalPar XVIII:

biology and pathology of the malaria parasite

23–25 May 2022

EMBL Heidelberg and Virtual

[www.embl.org/events](https://www.embl.org/events)

EMBL 

#EMBLMalaria

EMBL brings together the #malaria research community to foster the exchange of new ideas, explore future areas of research and disseminate new techniques.

**MAY 15:** On-site Registration | **MAY 16:** Virtual Registration

[Meeting details](#) | [Online poster](#)

The banner features a background image of a microfluidic chip with various channels and structures. Overlaid on this is a white rectangular box containing the event information. The EMBL logo is in the top right corner of the box, and the hashtag #EMBLMicrofluidics is in the bottom right. A dark blue bar at the bottom of the box contains registration and submission dates.

EMBL Conference

# Microfluidics 2022

11 – 13 July 2022  
EMBL Heidelberg and Virtual

[www.embl.org/events](http://www.embl.org/events)

Abstract submission: 19 April 2022

Registration (On-site): 9 May 2022      Registration (Virtual): 4 July 2022

Microfluidic approaches have positively impacted diverse areas such as nucleotide sequencing, functional genomics, single cell and single molecule studies, and biomedical diagnostics. Join Microfluidics 2022 to learn more.

**MAY 16:** On-site Registration | **JUL 4:** Virtual Registration

[Meeting details](#) | [Online poster](#)

The banner has a dark blue background with a green, pixelated, 3D representation of a microtubule structure. The text is white and positioned on the left side. The EMBO and EMBL logos are at the top center, followed by the word 'Symposium'. The URL and hashtag are at the bottom left.

EMBO | EMBL Symposium

# Microtubules: from atoms to complex systems

8 – 11 June 2022 | EMBL Heidelberg and Virtual

[s.embl.org/ees22-06](https://s.embl.org/ees22-06) #EESMicrotubules

'Microtubules: from atoms to complex systems' will bring together early-career and established researchers from all over the world interested in fundamental microtubule biology. Are you one of them?

**JUNE 1:** Virtual Registration | [Meeting details](#) | [Online poster](#)

Interested in the dissemination and metastatic colonisation of tumour cells? Here's a unique opportunity for exchange on metastasis and its therapeutic challenges

**JUNE 12:** [Virtual Registration](#) | [Meeting details](#) | [Online poster](#)

Interested in attending a virtual meeting?

Now you can by applying for the [IUBMB MilliporeSigma Virtual Meeting Fellowships](#) with OPEN DEADLINES to cover registration costs.

[IUBMB Relocation Support for Displaced Trainees](#) (currently with special emphasis to Ukrainian trainees) provides funds to relocate trainees to new labs because of natural disasters, war, or other events beyond their control that interrupt their training.
