

Dear PhD students and postdoctoral researchers,

We are delighted to invite you to the **1st FEBS-IUBMB-ENABLE International Molecular Biosciences PhD and Postdoc Conference** entitled “**The perfect tandem: How technology expands the frontiers of biomedicine**”, which will take place in **Seville (Spain)** on **16-18 November 2022**.

Join us for three days of **FEBS-IUBMB-ENABLE 2022** and have the opportunity to participate in:

- **Scientific symposium (16 & 17 November):**
 - Scientific talks from **8 renowned scientists**
 - **Short talks and posters** presentations by participants
 - **Gala dinner** with keynote speakers on *Thursday 17 November*
- **Career day (18 November):**
 - Participate in **workshops** and **career chats**
 - Visit our **job fair** to learn more about career opportunities
- **Networking & Outreach activities:**
 - Join our pub talks to bring your science closer to society
 - Get to know other young scientists by joining our various networking activities

[Registration](#) for this event opened on 1 June 2022. Early bird discounts are available until 29 July 2022. A considerable number of travel grants are available for participants who actively participate via poster presentation or a short talk. The deadline to apply for travel grants is also 29 July 2022.

For more information, visit our [website](#), where you can also watch videos of previous editions, and remember to follow us on [Instagram](#), [LinkedIn](#), [Facebook](#) and [Twitter](#)!

We look forward to meeting you in Seville!

Sincerely,

The Scientific Organizing Committee of FEBS-IUBMB-ENABLE 2022
