FEBS-IUBMB-ENABLE

1st International Molecular Biosciences
PhD & Postdoc Conference

16-18 November 2022
The Institute of Biomedicine of Seville, Spain

The perfect tandem:
How **technology** expands the frontiers of **biomedicine**

Workshops
Join workshops on personal and professional development.

Career Chats
Engage in conversations with professionals about career opportunities.

Job Fair
Learn about career opportunities at the Job Fair, where various companies from different sectors (publishing, biotech, pharma) will be present.

Outreach
Join our outreach activities to reach out to the general public and bring science closer to society.

Scientific Symposium
With 8 renowned international speakers sharing their expertise and experience.

Keynote Speakers
César de la Fuente
Matteo Iannacone
Laura Cancedda
Fathia Mami-Chouaib
José López-Barneo
Daphne Cabianna
María Rodríguez Martínez
Elena Papaleo

Networking
Meet other young scientists and build yourself a network by joining social activities throughout the conference.

Registration is open until 15th of October

For more information visit:
www.enablenetwork.eu

@EnableNetworkEU

The **Late bird registration** has been extended to **October 15th**. For more information, visit the [website](http://www.enablenetwork.eu), where you can also watch videos of previous editions, and can follow the event on [Instagram](#), [LinkedIn](#), [Facebook](#) and [Twitter](#)!

DEADLINE OCTOBER 1st

Please visit our website for more information on our [Fellowships](#).

[Travel Fellowships](#) will now be considered as they are received.

BRI-FING FROM THE BENCH

Congratulations to our Amino Acid Poetry Laureates: **Martin Szkandera**, **Olivia Sacco**, **Mary George**, and **Sohail** from all over the world, recited by our Trainee Ambassador Bri Bibel at last Friday's Bri-fing from the Bench.

Bri-fing from the Bench CONGRATULATIONS AMINO ACID POETRY WINNERS

bumbling biochemist choice award (wins amino acid puzzle): Martin Szkandera, Czech Republic
audience choice award (wins amino acid puzzle): Olivia Sacco
audience choice runner-up (wins IUBMB T-shirt): Mary George, South Africa
poet raffle winner (wins puzzle): Sohail, Canada

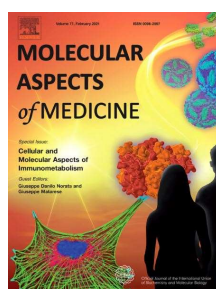

and the winners are...

amino acids
 know your amino acids!

IUBMB Journals

[Read more on Journal Highlights](#)

Volume 86 (August 2022) 101066

[Ageing – Oxidative stress, PTMs and disease](#)

by Ebert, T., Tran, N., Schurgers, L., Stenvinkel, P., Shiels, P.G.

Should you have a proposal or an idea for a thematic issue for Molecular Aspects of Medicine, please complete the thematic issue proposal form and send it to: Dr. Angelo Azzi (angelo.azzi@tufts.edu)

Aspects of Molecular Medicine

Rapid publication of research and short reviews on the molecular and cellular basis of disease to provide a clinical foundation for basic scientists and a rationalization of disease for the clinician.

Find out more

Editor-in-Chief: **Dr Angelo Azzi**

[Publish open access](#) for free in IUBMB's new journal, Aspects of Molecular Medicine! The Article Publishing Charge will be waived for any submissions received before October 31, 2023.

UPCOMING MEETINGS

The **HDBM22: From Science to Knowledge** is from September 28 - October 1, 2022 in Brela, Croatia.

[Meeting details](#)

Congratulations to Professor Kristijan Ramadan from Oxford Institute for Radiation Oncology, Department of Oncology, University of Oxford, UK who will be presenting the IUBMB Plenary Award Lecture at HDBM22: From Science to Knowledge on "DNA-protein crosslink proteolysis repair: from human disease to cancer therapy".

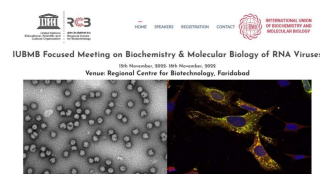

The **88th Harden Conference on Beyond catalysis: kinases and pseudokinases 2022** is from October 31 - November 3, 2022 in Chesford Grange, Warwickshire, UK.

SEP 30: Abstract Deadline EXTENDED

[Meeting details](#)

Congratulations to Professor Susan Taylor from UC San Diego, USA, recipient of the IUBMB Jubilee Award for her outstanding contributions to understanding protein kinases at the 88th Harden Conference.

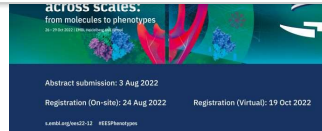

OCT 1: Registration Deadline

[Meeting details](#)

OCT 5: Virtual Registration

[Meeting details](#)

OCT 3: Abstract Submission
OCT 3: Virtual On-site Registration
OCT 19: Virtual Registration
[Meeting details](#)

OCT 31: Virtual Registration
[Meeting details](#)

Are you interested in attending the Miami Winter Symposium 2023 on Molecular Neuroscience: Focus on Sensory Disorders?

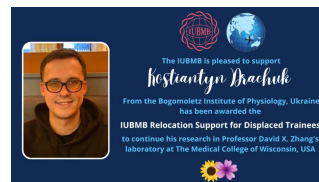

January 30 – February 1, 2023, | Hyatt Regency Miami, FL, USA

OCT 14: Submit abstracts for short talks and posters
NOV 18: Early booking deadline for registration
[Meeting details](#)

ANNOUNCEMENTS

*Click photo to play video

Congratulations to Osvaldo Contreras, co-Chair of the IUBMB Trainee Initiative Leadership Committee on being awarded the 2022 Miltenyi Research Award!

Thank you to all the postdocs around the world - you are our future and your dedication, hard work, and creativity are a bright light for the future of the biomolecular sciences!

SAVE THE DATE

Interested in attending a virtual meeting?

[IUBMB Relocation Support for Displaced Trainees](#) (currently with special emphasis)

[Fellowships](#) with OPEN DEADLINES to cover registration costs.

natural disasters, war, or other events beyond their control that interrupt their training.
