

Dear FAOBMB Delegates to Council,

The closing date for applications for the **2023 FAOBMB Travel Fellowships** and the **2023 FAOBMB Education Special Travel Fellowships** have been extended one week until 14 June, 2022. Please distribute the following FAOBMB information through your local societies as a **reminder** of the **availability** of these Fellowships and that the **closing date has been extended for both Fellowships**.

Thank you for your help.

*Best Regards,*

*Paul Gleeson,*

*Chair, FAOBMB Fellowships Committee*

### **FAOBMB Travel Fellowships for the**

**30th FAOBMB Conference in Bangkok, Thailand, November 2023**

**(Closing date extended to 14 June, 2023)**

The FAOBMB is pleased to offer FAOBMB Travel Fellowships to graduate students, postdoctoral fellows and early career Biochemists and/or Molecular Biologists to attend in person and give an oral presentation on their research work at the 30<sup>th</sup> FAOBMB & 8<sup>th</sup> Biochemistry and Molecular Biology (BMB)

Thailand Conference to take place in Bangkok, Thailand, from 22-25 November, 2023. These Fellowships are intended for those who reside or are working outside the host country of the conference.

Applications for these fellowships are now invited from well qualified Graduate students/postdoctoral fellows/early career Biochemists and/or Molecular Biologists, from the FAOBMB region (excluding the host country) and within 10 years of completion of a PhD degree at the date of the application deadline (**14 June, 2023**).

Detailed Guidelines and the Application Form can be found at:

<http://faobmb.com/fellowships/travel-fellowship-to-faobmb-conference/>

Applications close on **14 June, 2023 (1800 hours, AEST)**

### **FAOBMB Education Special Travel Fellowships**

#### **30th FAOBMB Conference in Bangkok, Thailand, 2023**

**[\(Closing date extended to 14 June, 2023\)](#)**

The FAOBMB is pleased to offer FAOBMB Education Special Travel Fellowships to PhD candidates and early career biochemistry/molecular biology **educationists**, to attend in person, at the 30<sup>th</sup> FAOBMB & 8<sup>th</sup> Biochemistry and Molecular Biology (BMB) Thailand Conference to take place

in Bangkok, Thailand, from 22-25 November, 2023 and participate in the Education Symposium. These Fellowships are intended for those who reside or are working outside the host country of the conference.

Applications for these fellowships are now invited from well qualified Graduate students/early career biochemistry/molecular biology educationists, from the FAOBMB region (excluding the host country) and within 15 years of completion of a PhD degree at the date of the application deadline (**14 June, 2023**).

Detailed Guidelines and the Application Form can be found at:

<https://faobmb.com/fellowships/education-special-travel-fellowships/>

Applications close on **14 June, 2023 (1800 hours, AEST)**

Information on the 30<sup>th</sup> FAOBMB/8<sup>th</sup> BMB Conference can be found on the Conference website <https://www.bmbconference.org/faobmb2023/>
