

Dear Friend of IUBMB,

I'm writing to ask if you would consider making a tax-deductible [donation](#) for a new fellowship we are creating for our beloved Tatenda Murigo, a passionate member of our IUBMB Trainee Initiative whom we lost in a tragic car accident last month. This fellowship will fund a female honours student at a University in Zimbabwe for one year. Any contribution you can make, no matter how small, will help achieve our goal. You can find out more about Tatenda [here](#).

Donate Today

For donations of \$100 or more, we will be happy to send you the amino acid puzzle created by our Trainee Ambassador Bri Bibel - fantastic gift for your biochemistry students and friends!

Many thanks for any help you can provide.

Best wishes,

ALEXANDRA NEWTON

IUBMB President

Tatenda Murigo
