

From Molecules to Cells and Tissue
– Bridging Scales
with Nanoprobe Technology

NOVEMBER

2-3, 2023

7th NanoLSI Symposium

in Berlin

Organized by

Carsten Beta, Organizer University of Potsdam
Clemens Franz, Co-Organizer
Nano Life Science Institute (WPI-NanoLSI), Kanazawa University

Co-Organized by

Cancer Research Institute, Kanazawa University
Institute for Frontier Science Initiative, Kanazawa University

Invited Speakers

Martin Bastmeyer	Karlsruhe Institute of Technology
Salvatore Chiantia	University of Potsdam
Martin Falcke	Max Delbrück Center for Molecular Medicine
Daniel Müller	ETH Zürich
Sveilana Santer	University of Potsdam
Erik Schäffer	Eberhard Karls University of Tübingen
Ulrich Schwarz	Heidelberg University
Anna Taubenberger	Technische Universität Dresden

NanoLSI Speakers

Clemens Franz	
Takeshi Fukuma	
Noriyuki Kodera	
Mark MacLachlan	The University of British Columbia
Satoru Okuda	
Masanobu Oshima	
Shinji Watanabe	
Tomoyoshi Yamano
