

Dear friends–

We are thrilled to have Prof. Robert Harris, Academic Vice–President of Doctoral Education at the Karolinska Institute, as a plenary speaker at the FEBS Education and Training Conference on March 20–23, 2024 at Antalya, Türkiye.

The banner features the FEBS logo (a blue circle with 'FEBS' in the center) and the text 'FEBS EDUCATION AND TRAINING CONFERENCE' in bold. To the left is a graphic with 'EMPOWER' at the top, 'EDUCATE' on the left, and 'INNOVATE' at the bottom, with a laptop icon. To the right is a red box with the text 'Xanadu Hotel Antalya, Türkiye 20-23 March 2024'. Below the FEBS logo is the tagline 'Shaping the Future of Molecular Life Sciences through Education'. A circular portrait of Robert Harris is on the right. The main text reads 'Robert Harris Karolinska Institute, Sweden' followed by 'Plenary Lecture Using TECHNOLOGY to make sense of crystal ball predictions about the future of biomedical education'. A quote from Robert Harris is centered: '“The youth of today are the leaders of tomorrow. The educational practices of the future will be in your hands. Come and be inspired how to start taking that responsibility.”'. At the bottom left is a 'REGISTER TODAY' button with a mouse cursor icon. The bottom right corner has the signature 'Robert Harris'.

Robert Harris
Karolinska Institute, Sweden

Plenary Lecture
**Using TECHNOLOGY to make sense of
crystal ball predictions about the future
of biomedical education**

“The youth of today are the leaders of tomorrow.
The educational practices of the future will be in your hands.
Come and be inspired
how to start taking that responsibility.”

Robert Harris

We encourage you all:

- 1) Join us at this great conference!
- 2) Promote the event in your society
- 3) Encourage your colleagues to participate
- 4) Follow us at instagram (@febseducation), twitter (@febseducation) and LinkedIn (@FEBS Education and Training)
- 5) Help us spread the word by using the FEBS ETC graphic (attached below) in your e-mail signature

Best wishes,

Ferhan
